

BMW M Team

E30 M3 Shirt Order Information - 2017

Deadline to pre-order is Friday, July 21.

Great car, and great shirt! We are delving back to the British Touring Car Championship circa 1991 for our inspiration. This year we commemorate the Labatt's car driven by Tim Harvey to 8th in the BTCC. To comply with the BTCC formula for 1991 these cars ran the 2.0 liter version of the S14.

The design will have BIG on the back the famed #4 car and "BMW M Team" as shown above, and "BMW M Team" will be printed small over the front left chest. Graphics are REAL ink screening and will stand up to countless washings.

Travel Back in Time...

It's as if you were at a race in England and bought the shirt from a local vendor at the race track! T-shirts are the very best 100% cotton and the Sweatshirts are the highest quality 90% cotton material. The T-shirts say "Preshrunk" on the label but they still shrink a bit in the dryer, so plan accordingly. The Sweatshirts REALLY shrink, like a whole size. The shirts are comfortable. Plan ahead! Order White for social gatherings, colored shirts for the dirty work!
