E30 M3 Shirt Order Information - 2018

Deadline to pre-order is Friday, July 27.

Great car, and great shirt! We are delving back to the Australian Touring Car Championship circa 1993 for our inspiration. This year we commemorate the #23 Diet Coke car driven by Paul Morris with guest BMW factory driver Smokin' Jo Winkelhock in the Bathurst 1000.

The design will have BIG on the back the famed #23 car and "BMW M Team" as shown above, and "BMW M Team" will be printed small over the front left chest (except for yellow Woolley tribute shirts, see Page 2). Graphics are REAL ink screening and will stand up to countless washings.

Travel Back in Time...

It's as if you were at a race in Australia and bought the shirt from a local vendor at the Bathurst race track! T-shirts are the very best 100% cotton and the Sweatshirts are the highest quality 90% cotton material. The T-shirts say "Preshrunk" on the label but they still shrink a bit in the dryer, so plan accordingly. The Sweatshirts REALLY shrink, like a whole size. The shirts are comfortable. Plan ahead! Order White for social gatherings, colored shirts for the dirty work!

Yellow Tribute Shirt and decals for Mark Woolley

Sadly, Mark Woolley who many of you knew from BMW Club activities, recently passed away unexpectedly. We're creating a tribute yellow M Team shirt in Mark's memory that will be only in yellow, and on the left chest will have a special black logo (in lieu of the traditional small M Team logo) to honor Mark. Note that the yellow shirts will ONLY come this way. They cannot be ordered with the regular M Team logo like the rest of the shirt colors. Mark was known for the yellow bits on his E30 M3, and his love of the M Team shirts in yellow.

Proceeds from the Woolley tribute yellow shirt sales will be donated in honor of Mark Woolley to the BMW CCA Foundation. Window decals with the tribute logo are also available for purchase (\$5 each). As well, there is a line on the order form if you want to make an additional donation to the Foundation. We'll collect all of this money, and in August make the donation to the BMW CCA Foundation in Mark's name by the E30 M3 SIG.
